

THE CHAMPS! A hairy but proud, bell-bottomed coach Walden beams as his team shows off their winning district trophy at Webberville in 1973. Front row: Doug Poff, Robert Keck, Dave Peters, Dave Osborn
Second row: Arden Densmore, Mark Poff, Wade Crumbaugh, Kevin Mills, Nolan Beck, Gary Uribe, Mr. Larry Walden, coach.

A MAN'S PRIDE AND JOY is still his first car. Roger Keck bought this classic 1960 Chevy for \$300.00. He paid for the car working at O'Dell Construction during the summer.

BEFORE CONCRETE WAS INVENTED, Connie Keck Sopocy and her classmates spent recess romping on the grass in front of what are now the band, art, and shop rooms.

CATCHING A FEW Z'S never goes out of style. The class of 1968 rests up for their next stop on their senior trip to Washington, D.C. Left aisle, from front: Gloria MacLennan Keck, Connie Yelsik Andersen, Theresa Stehlik Lytle, Bob Fabus. Right aisle: Joyce Keck Skaryd.
