

Organizations are just a few of the things at AHS that

# Make It Interesting!

Organizations play an important role in the life of a student at Ashley. Because of the size of our school, just about everybody is involved in an organization.

Cadet teaching is a class as well as an organization. Jim Drummond says the best part about being a cadet teacher in the special education room in

the elementary is that, "There is nobody in the special education room when I get over there."

Journalism is also an "organization" class. Mrs. Suzanne Luneack, journalism advisor, commented, "When the pressure's on, we're all on equal terms. I really like the fact that we have a product, one that is a

lasting reminder of what we did."

A fairly new idea at Ashley is the quiz team. Mrs. Karen Martinez, quiz team coach, remarked, "I hope to add tournaments to our schedule and someday be part of a league. I see interest in young students I'm working with at the junior high level."
