Sportsmanship is high, but Bears still slump

Disappointing Year

The 1990 varsity girls' basketball team ended their season with a record of 8 and 14. This record certainly didn't top past scoring records but the sportsmanship maintained the same high standard as always. However, as with past seasons, the girls had unforgettable moments. One of their best memories was the first district game over Mt. Pleasant Sacred Heart, which they won, 43 to 42. What a cliffhanger!

Coach Wayer enjoyed working with each girl. He commented, "They were polite, respectful and most importantly, consistently displayed good sportsmanship. I was disappointed with our record and the desire of some of the girls to work hard enough, during the off season, to put us in position to be more successful."
