

BUMP, SET, SPIKE! Heidi Harlow, junior, bumps the ball for a point at the districts. Ashley lost to Fowler, 13-15.

## Keepin' Up The Spirit Teamwork

"All through the season, whether we were winning or not, the team stuck together and really gave each other support," stated Heidi Harlow about the 1991 volleyball team.

It takes a lot of time, effort, and practice, but most of the girls really feel it's worth it. The team usually have an hour and a half practice each night when they don't have a game. The season wasn't all wins but the girls never failed to give it their all.

Kathy Densmore, varsity coach, commented that although the season wasn't as good as she had hoped, she was really pleased with the spirit of the girls. Most of the disappointment was during the tournaments. Kathy had hoped the girls would go further than they did.

The JV record ended 9-5. The varsity ended 7-12.

PRACTICE MAKES PERFECT! Angie Camp blocks Heidi Harlow's spike as they warm up for their district game against Fowler.
