

Rain Or Shine

Spirits Came Alive And The Bears Survived!

It had rained all day, the spirits of the community were dampened, and it was cold. That didn't stop the Ashley fans from going out and supporting their Bears.

Both teams, the Bears and the Genesee Wolves, came running out of the locker room ready to play at 7:30. The crowd cheered from their cars, under blankets, and under umbrellas.

At halftime, the band marched into their spots on the field, and the Homecoming Court was introduced. As the candidates waited impatiently, Mr. Gary Schestag announced the names of the king and queen.

"It was a great honor to be chosen Homecoming King," commented Chris

Sosebee. "It was hard at first to concentrate on the game with everyone congratulating me, but after the second half kick-off, all I could think of was beating Genesee."

"I was concentrating on trying to hear the name and looking at the girl I thought would get it. I was astonished and excited!" exclaimed Homecoming Queen, Kelli Felton.

As the time expired on the clock, the scoreboard read Genesee 20, Ashley 13. Jim Fabus stated, "I think we played a good game even though the scoreboard didn't show it. We may not have won the game, but we won the battle."

HONORARY KING, Igor Marinkovic, hugs one of his many friends, Janette Stehlik. Igor is an exchange student from Yugoslavia.
