# NEW TUNE

M. Wolfe

The band started out this year with a new director, Mrs. Jean Murdock, whose ideas and changes struck a new rhythm. They worked hard and tried different ideas, one of which was the costume and light show performance they put on at Halloween.

The band also took a Greyhound bus to Cedar Point as a reward for a job well done at band camp.

Ms. Danielle Burk, drum major, joined the band in their activities when they received a II rating at MSBOA Marching Band Festival and a II rating at Concert Band Festival. Hard work can pay off with something new!
