

“Turn-on” Tournament

Leaves team feeling good about season”

“Setting our sights on league championship and working together as a team really helped us,” stated senior co-captain Erica Densmore as she reflected on the season. The varsity girls’ volleyball team went 9-2, with two ties, while the JV collected 5 wins and gave up nine losses. Robin Woody, JV

player, commented, “I think we did well, considering we had few players with experience on the team.”

The varsity girls captured first place finish in the MSAC tournament action, beating Vestaburg, who took first place in league season play.

In fact, the MSAC tournament, understandably so,

loomed large in the minds of both players and coach. “My biggest disappointment was taking second in the league after winning the league tournament,” admitted varsity player, Ronda Cook, while Coach Cathy Densmore sigled out the tournament win as one of the most satisfying experience of the year.

“

Our team goal was to have a good season, and we did.

Ronda Cook
