

Jr. High Girls Dominate The Court

Hard Work And Lots Of Practice Win 21 Games

Great things come in small packages. That pretty much sums up this year's seventh and eighth grade girls' basketball teams. Though small in numbers, they were able to dominate the court with hustle and strong defense.

The seventh grade finished the season with a 12-0 record and the O-E tournament championship. It took hard work, dedication, and patience for such a small team.

The eighth grade ended their season with a record of 9-3. Their biggest disappointment came when they lost the championship to New Lothrop at the O-E tournament.

Eighth grade coach, Bill Cartwright commented, "It was a very demanding season."

Seventh Grade		Eighth Grade
