Keep the Change

As the years go by and the days pass on, one thing at AHS remains the same . . . the friendships.

A smile, a "good morning", a laugh or "see ya" is what you hear and see walking through the halls. These are a few things that will never change.

If you need someone to lean on, you'll be sure to find a friend who is willing to stretch that extra inch, just to help you through. What about the age difference or the grade difference when looking for a friend? Well, that doesn't matter! There are no barriers between friends. It's the fun, the excitement and the closeness that matter. There is never a time when you don't need a friend. You can share the best times of your life with your friends — a ballgame, shopping, the movies, cruising, studying, crying and best of all, you can share the laughter. It will last you a lifetime and it's something you're sure to never forget.

STICK 'EM UP! Jason Saylor and Craig Wilcutt take part in a scene from the "modern day" Romeo and Juliet. The ninth grade English class performed the skits as an assignment.
