

PERFECTION IN THE MAKING! Jennifer Denniston practices up for her EMU day performance. She has played the flute for five years.

## Thriving For Success!

The AHS band was ready and willing to learn and improve during summer band camp. Senior Drum Major, Brenda Saylor remarked, "Everybody worked together and tried hard to make themselves better and the week was a lot of fun."

Jaime Morris commented that getting up so early was the only inconvenience that made it hard for everybody. Breaktimes came and the tension melted away. Through the cold, wet grass in the morning and the hot, beating sun in the afternoon, the band pushed on harder and harder.

Their hard work paid off. It was another successful season for the AHS Marching Band.
