Day To Night . . .

And The Band Played On

EMU Day arrived and band director, Mrs. Jean Murdock, had hopes that everything would fall into place. "Playing with all of the other bands and keeping the music together is a must," she commented.

The day-long event included marching around the track while

playing the fight song, watching the Eastern football game, and rehearsing with different band members.

Day turned to night and the band gave another great performance. Everything had, indeed, "fallen into place."

MARCH ON! Drum Major Brenda Saylor leads the AHS Marching Band during EMU day. Band director, Mrs. Jean Murdock, remarked, "It's exciting to play with 2,000 other band members all at the same time." Overall, the band performed very well.

E IS FOR EXCELLENT! The Ashley High School Marching Band makes their mark as the center of attention in the middle leg of the E. They're the kind to stick out in a crowd. No matter where the band goes, others are sure to follow.
