HIGH HOPES

Hung up by obstacles

This year's volleyball season fell short of most people's expectations. Determination wasn't enough to lift them out of their struggle and constant disappointment. Senior Jenny Felton commented, "It's hard to start off with a team that didn't have much experience!"

The team's struggle went farther than just their record; it was also within the team.

Conflict in personalities took a big toll on the team. But still more obstacles were in their path. One of the strong players for the team, Ronda Cook, broke her ankle the day before Ashley's first game and was out for the rest of the season. Ronda commented, "I was really disappointed not to play my senior year!"

However, a little glory came

their way when they captured a win over class C Shepherd during the Sunrise tournament. But through the disappointment and the struggle, the team still played with intensity and dignity. "Even though we didn't have a winning season, we still have memories!" reflected Diane Mitchell.
