## Colophon

*The theme of the 1993 Bear Tracks—Keep the Change—was first conceived by staffers Angie Brzak and Dominic Lowe, as well as Mrs. Luneack, advisor, while driving to a journalism workshop at Aquinas College on July, 29, 1993. Staffers who developed this theme and produced this yearbook were Andrea Becker, Angela Brzak (yearbook editor), Jenny Felton, Shannan Felton, Sharon Keck, Dominic Lowe, Marsha Miller, Jenny Powelson, Ron Robinson, Brenda Saylor, Dawn Strouse, Stephanie Thiel, JoAnna Thompson (budget manager), and Robin Woody.*

*The 1993 Bear Tracks was published by Josten's in Clarksville, Tennessee. One hundred and fifty books were printed and sold for \$15 and \$17 each. Body copy was set in twelve point and captions were set in eight point Palatino. Headlines and subheadings were either set in Palatino or computer generated.*

*Our professional photographer was Mr. Jim Ortman and the student photography staff was composed of Dominic Lowe (editor), Bob Franks, Stephanie Thiel, JoAnna Thompson, and Robin Woody.*

*The staff would like to thank area representative Mr. Tim Loonan for all his help.*
