ROYALTY CROWNING, FOOTBALL VICTORY BOTH HYPE UP OUR HOMECOMING SPIRIT

A

s the football players ran into the locker room after the first half, excitement filled the air. It was October 8, 1993—the Bears had a halftime lead, and a new Homecoming King and Queen were about to be crowned. The band quickly took the field, and the members of the court were introduced. The band played "Somewhere Out There" softly in the background. The candidates waited impatiently for the big announcement.

"I was really nervous, but I was also excited for everyone else on court," remarked Shannon Felton.

Finally, Mr. Schestag's voice boomed over the loudspeaker. "The 1993 Homecoming King is . . . Mr. Dominic Lowe!"

Dominic commented, "I was mostly thinking about the game, but when Mr. Schestag started to make the announcement, I was a little nervous!"

Next, the Queen was announced. "The 1993 Homecoming Queen is . . . Miss Shannan Felton!"

"I was so happy!" exclaimed Shannan.

After the hundreds of camera flashes died down, the halftime ceremonies came to a close and the second half began. The Bears hung on to their lead and came up with a victory.

"We played really well as a team and it was great because we won the first Homecoming game in three games!" exclaimed Ellery Sosebee.
