

OUT ON THE TOWN & ROAMING THE HALLS

These Kids' Involvement
Is The Only Pass
They Need

Foreign Culture? Isn't that one of those subjects everyone dreads learning about? Not anymore. Foreign Culture Club is now an extracurricular activity that a lot of students signed up for.

FCC went on one trip this year, to Lansing Catholic Central High School, to see a Spanish musical. A popular part of the show was the performer, Moses. Lacey Crocker commented, "I like the way he sings. He's pretty cool!" They lunched at Chi Chi's buffet and sampled enchiladas, burritos, chimichangas, tacos, and fried ice cream.

The only trip office practice students have is picking up slips and running errands. Jenny Powelson said, "Working in the office was a chance for me to become familiar with office routines. I'm interested in business work and this was a good start." Office students filed papers, ran errands, sorted mail, answered phones, and did typing.
