The question, "Where's Ashley?," is a common one to anyone that lives in the small community of Ashley. Therefore the 1993-94 journalism staff--composed of Joe Beracy, Angela Brzak (yearbook editor), Jamie Contreraz, Kim Contreraz, Shannan Felton, Dominic Lowe, Sara McGillis, Jaime Morris, Stephanie Murdock, Chris Porter, Jenny Powelson, Stephanie Thiel, JoAnna Thompson (budget manager), and Brianna Yelsik--thought that this inquiry would make an excellent theme for the yearbook.

The 1994 *Bear Tracks* was published by Josten's in State College, Pennsylvania. One hundred and fifty copies were printed and sold for \$15 and \$17 each. All headlines were computer generated. Body copy is set in twelve point and captions set in eight point Benguiat Book.

Professional photography services were provided by Jim Ortman and our student photography staff was composed of Dominic Lowe (editor), Bob Franks, Jaime Morris, Stephanie Thiel, and JoAnna Thompson.

The *Bear Tracks* staff would like to thank our representative Mike Lafferty for all of his help and time.
