## IS IT AS EASY AS IT SEEMS?

### HARD WORKING MAN

#### STUDENT COUNCIL PRESIDENT

What does being student council president consist of?

"Being president holds a lot of responsibility," said president Jason Pendleton. Student council president is in charge of co-ordinating homecoming week, organizing twirp week, and also helping a family during Christmas. Teacher Gary Schestag supervises student council and helps make sure everything is done when needed.

"I ran for president because I wanted the control that was there," said Jason.

Every year a new student steps up to run for student council president. Jason advises, "Be sure to make lists because you'll need them."

Homecoming, twirp week, and cider and doughnuts for team players. What do all these mean? Traditions that are organized by student council.

"Homecoming week is hard because it's traditional," said advisor Mr. Gary Schestag.

Homecoming and twirp week both include dress-up days, slave auction, and class competitions.

"Student council tries to make school more fun for the students," said treasurer Tony Bush.
