

THIS IS FOR MR. LARSEN. Office practice duties beckon to Amy Strouse as she separates the mail for each teacher. Amy was the person who was responsible for taking care of the mail everyday.

HAPPY BIRTHDAY TO YOU! La Senorita's helps Heidi VanZee celebrate her 18th birthday on May 5, when the Foreign Culture Club goes to dinner. "It made my birthday that much more special," remembered Heidi.

Twenty people stand at the counter waiting for paper and pencils. The phone rings and there is a scramble to answer it. Mr. Carl Wayer needs an errand run. Sounds crazy, huh? It's all in a day's work for an office practice student.

These students are vital assets every hour in the office. They pick up absence slips, run errands, and make copies for the endless flow of students in and out of the office.

What would happen if these students weren't there? "Well, Phyllis would get a lot more walking in during the day picking up slips," commented Mr. Wayer.

WHAT DID YOU SAY THIS WAS AGAIN? The wonderful smells of Mexico fill La Senorita's as Foreign Culture Club members Tony Bush, Kristie Spencer and Kerri McCrimmon pile their plates with Mexican delicacies. "We all had a lot of fun being together and getting to try all the different kinds of food," commented Kerri.
