

# EQUESTRIAN TEAM FINALLY KNOWN BY STUDENTS EQUESTRIAN TEAM?

**COME ON, GIVE ME A STRIKE!**  
Kim Contreras and Jennifer Denniston roll a between-the-legs ball for an NHS bowl-a-thon to raise money for a family. The bowlers raised \$600 for the family this year.

Ask a student about Drama Club or Foreign Culture Club and he or she will know what you're talking about, but ask that same person about the equestrian team and you'll draw a blank stare.

The equestrian team represents the school in horse riding competition.

This sport is just as dangerous as other sports, also. Lacey Crocker recalled, "My horse and I got caught in a wire fence." With all the possible mishaps

that can happen, though, the riders had a successful season.

**THIS IS THE WAY WE WRAP OUR GIFTS!** Jason Pendleton and Kim Contreras wrap gifts for their NHS Christmas Family. This is an annual event in which they buy toys, clothes, and groceries for the family.

**GOOD LUCK!** Kevin Gavenda wishes Cody Osborn good luck in her upcoming competition. The team took fourth place out of eleven schools this year.
