

STUDENTS HELPING OUT IN THE CLASSROOM STUDENTS HELPING?

LET'S DANCE! Beth Schulz, Denise Garcia, Kevin Fabus, Amber Polash, and Lisa Maier show off their moves on the dance floor. This was Kevin's first year at the junior high prom.

TRY IT AGAIN! Denise McElhane helps out a second grade student. Denise likes working with kids and helping them with problems while she is cadeting.

Many teachers find it very difficult to accomplish all the tasks they have each day. They depend on cadet teachers to lighten up the load.

Cadet teachers have different tasks they are asked to accomplish in the high school; they run errands and make copies for the teachers. In the elementary, they have a more one-on-one experience with the kids.

The students find cadet teaching a rewarding experience. Kim Contreras commented, "It makes me happy to be able to help the children, and I was glad they looked up to me."
