

Dismal Start Turns Around

JV players work hard to turn 180

"Our season started out bad, but it got better," commented freshman center David "Big Country" Strnad on the 94'-95' season. Both boys' and girls' JV basketball teams came out of the gates slowly, posting records of 0-7 for the guys and 0-6 for the girls.

"Coach Moore got tougher after our bad start and our young team started playing together," stated sophomore guard Melissa Bornemann. After the dismal starts, the girls finished the season with a 13-7 record but the guys never seemed to come around, ending up 3-17.

"We didn't win many games but beating Mt. Pleasant was great!" exclaimed freshman guard Dave Polash. The Mt. Pleasant game was by far the best one. The boys came back to beat a talented Sacred Heart team solidly, 51 to 38, after losing earlier in the season, 41 to 54.

Girls' coach Miss Michelle Moore declared, "Our best game was Genesee at home because it was the first time we played as a team in all areas of the game." The girls stomped a very good Genesee team, 54 to 29, using teamwork, hustle, and errorless play.
