

High Hopes for a Competitive Team

Young but sticks together

A group of competitive, athletic girls is sure to help out the softball team.

Going into districts with a school record of 21 wins and 8 losses definitely gave the softball team high hopes for tournament play. "I have never played on a team with so many good athletes who strive to do their best in hitting and fielding," commented senior Jaime Morris. "I know we have a chance to go all the way if we keep working and playing hard the way we are now."

The girls have faced some

tough teams like Ithaca, Bath, Sacred Heart, Morrice, and Webberville, but have usually come out on the winning side.

"Some teams we have played have thrown some faster pitches but we adjust and hit off any speed they throw us," said junior Trina Sopocy.

The whole team pulled together through anything. "One thing I have noticed, is when one person is down, we all get her back up and going again!" exclaimed freshman Lisa Maier.
