Baseball team doesn't win a lot but still has fun

Not winning means the season was a complete loss, doesn't it?

Not to this year's varsity baseball players. This season proved to be a different type of success, the kind that builds friendship and character.

Elliott Lowe remarked, "We never got mad after a loss...we just took it out on Deeter the next day in practice."

Although this year's squad didn't have as much success as in past years, they stood out in their own way. They may have been the youngest team in a long time. This year also marks the end of Marty Cartwright's spectacular

four year baseball career at AHS.

Marty reflected, "It's been a lot of fun playing with a bunch of different people and I'm really going to miss it."

It was apparent to many that this squad was special in the way the veteran players blended so easily with the rookies. It was also just as easy to see the learning and teaching that was going on, along with the hitting and fielding.

"It's a lot easier to learn from guys you get along with," commented PJ McGillis.

KEEP YOUR EYE ON THE BALL ... Joe Fabus focuses in on the pitch while David Polash waits on third to see what happens. David commented, "For being a young team I think we did good."

I'M GONNA SCORE ... Josh Harnick rounds third and heads for home. The guys scrimmaged the girls after a rainout.
