COLOPHON

With technology expanding rapidly, it is important to stay current. This year the journalism staff started using computers and the Pagemaker program to produce a camera-ready layout.

The staff consisted of Sara McGillis (yearbook editor), Jaime Morris (photography editor), Jennifer Denniston (budget manager), Jaime Contreras, Kim Contreras, Brianna Yelsik, Tony Bush, Joe Beracy, Robert Czeiszperger, Travis Polash, Jason Saylor, Shawna Bornemann, Trina Sopocy, Jennifer Pendleton, and Heidi VanZee.

This year 125 yearbooks were produced, each selling for \$18. The copy is in 10 and 12 pt Palatino, and captions are in 8 pt Palatino. Headlines are varied sizes and fonts.

The staff would like to thank Mike Lafferty (Jostens representative) for his help and advice. We would also like to thank Jim Ortman for his photography services.
