spirit explosion

School spirit shakes '95 Homecoming; excitement rumbles though the student body.

Yee-Ha! The Wild West galloped its way into Ashley. "Western day was my favorite dress-up day, because I had the stuff and never had an opportunity to wear it," said teacher, Mrs. Sherry Reichard.

Student council worked hard to come up with new dress-up days for Homecoming. "We thought that homecoming was getting too repetitive so we tried hard to think of fresh new ideas," exclaimed student council president, Tony Bush.

The days were: Monday, Western Day; Tuesday, Toga

Day; Wednesday, Nerd Day; Thursday, Opposite Sex Day; and Friday, Blue and Gold Day.

These new dress-up days encouraged a lot more people to let their spirit show through. Everywhere you looked you could see someone dressed up to go along with the day.

"Opposite Sex Day was my favorite dress-up day," commented Kari Bearden. "I dressed up because I just like having spirit for school."
