shines at night

Ashley "stars" glow as the '95 homecoming royalty is announced.

The night was clear, the stars were shining, not only in the sky, but on the playing field too, as the Ashley Bears played host to the fighting Irish of Mount Pleasant Sacred Heart.

Excitement was mounting as everyone waited in anticipation for the announcement of the new king and queen. Regina Kirkpatrick said, "The most exciting moment was standing on the risers waiting for the announcement."

It is always nice to see the court and representatives all

dressed up in formal attire. Jason Saylor said, "It was awesome seeing the girls all dressed up, but I felt awkward having so much attention focused on me and the court." Finally the suspense was over; Joie Fabus and Denise McElhaney were crowned king and queen.

The dance ended the evening. Jason Saylor remarked, "I thought the dance was fun because everyone just kicked back and had a great time."
