PERFECT . . . Michelle Albring puts on the finishing touches of her house. This is just one of the many projects the Tech class did.

T. Polash

RIGHT ABOUT THREE... Matt Crumbaugh and Elliott Lowe try to line up their bottle rockets. "Applied Tech is one of the few classes you can mess around in and still pass with a good grade," commented Matt.

WHAT DID YOU GET FOR 17? . . Sarah Kimmel and Andrew Saldana go over their test in preparation for their exam.

TRUE, FALSE, TRUE...Mrs. Sherry Reichard reads off the answers while Lisa Maier, Randy Evans, and Ben Crocker correct their papers.
