

Seniors celebrate their 2100th day of school

"Celebrate: To observe the occasion of an achievement or other notable occasion."

The seniors decided to celebrate the number of days they have attended school since kindergarten. Principal Larry Walden okayed a party on the grounds that the seniors would have fewer skip days.

"It was a good time to take a break from senior stress and to congratulate them for less than the usual amount of skip days," said, senior advisor, Miss Kristy Yodzevicis.

The celebration was held last hour in the library. The seniors played games, ate finger foods and talked about old times.

"It was a good idea and a nice break from class," stated Michael Strnad.
