

Bear Pride Makes Winners

Pride.

It was more than just a word to the Ashley High School football team. It was what kept them sane.

"We focused a lot on pride since that was all we had to keep us going," commented senior co-captain Elliott Lowe.

Even though the team finished 0-9, they placed Kevin Gavenda and Dave Polash on the first team offense and defense All-Conference, respectively.

"I'll always remember homecoming. We all played our hearts out and gave it our best shot," senior Dennis

Belongia reflected.

Through their ups and downs, one thing stayed certain: this team never quit.

Coach Bruce Andersen summed up the team; "Despite the 0-9 record, they never gave up, even when it was easy to."
