

Bears Dominate Districts Edged Out In Regionals

A district championship, co-league champs, and a regional final appearance spell a successful season, right? Not in the minds of this team, their coach, and their fans. "We had high expectations going into the season," commented Stacie Fabus. "That's why a district championship

just wasn't enough."

The girls rolled through the regular season with only one league loss and a 16-4 overall record. They breezed through districts capturing their fourth straight district championship. Coach Wayer's girls then beat Peck in the first round of regionals. Next they
