

# Teams Show Spirit

The junior varsity basketball teams had disappointments early in their season but they always had a lot of enthusiasm. The season brought mixed results for the girls' and boys' basketball teams. "We started out slow at first, but as the season progressed we started to win more," commented Terri Kral.

With four returning players and five rookies, the JV girls

started the season with a victory over Fulton, 42-28. Three losses in a row, including one to rival team Ithaca, 34-42, were major upsets for the lady Bears. Another devastating loss was to a second rival, Ovid-Elsie, by only two points. The lady cagers ended with a 15-5 record.

The JV boys' basketball team took some time before getting their first win. After losing their first

three games, the team came alive and beat Fulton, 53-42. That liveliness didn't last too long; they lost their next four games, including a very close 45-47 loss against Burton Valley Christian. The 7-13 season record didn't cause the JV Bears to lose their enthusiasm. "It was disappointing to start out with not too many wins, but we always tried hard," remarked Brian Krueger.
