

COLOPHON

The theme of this book, "On the Edge," was conceived by the *Bear Track* staff members. The yearbook was printed by Josten's in Clarksville, Tennessee, using 12 point Helvetica for body copy and 8 point Helvetica for captions. The staff submitted the pages camera-ready, using Macintosh III computers and the Pagemaker 4.2 program. One-hundred-twenty-five books were printed and distributed in the fall of 1996.

Professional memberships include the Michigan Interscholastic Press Association, which awarded the 1995 *Bear Tracks* the Spartan Award.

The staff would like to acknowledge the assistance of Josten representative Mike Lafferty, and photographer Jim Downs, of Geskus Photography.

Staff members were Melissa Bornemann, Shawna Bornemann, Brandie Burgett, Tony Bush, Eric Cordray, Rob Czeiszperger, David Grollimund, Brandon Krueger, Jenny McGillis, Jennifer Pendleton, Travis Polash, Jason Saylor, Trina Sopocy, Kristie Spencer, and Amy Strouse. Yearbook advisor was Mrs. Suzanne Luneack.
