Anticipation was in the air and a small prayer on every senior's lips as the time came for the crowning of the new king and queen.

All the elements were on hand that night: the crisp autumn air, starry skies, and the reunitement of old friends.

Topping off a spectacular homecoming week was a memorable and exciting homecoming night. Senior cousins Kristen and Stacie Fabus

commented, "It was the best and most memorable time that we've ever had. If we could do it over, the outcome would always be the same. It was such an honor to be chosen to represent our class for homecoming. We all felt like royalty that night."

An Era of Change was the homecoming theme this year and the dance carried through on the theme as couples danced through hanging planes, chugging trains, and vintage

automobiles. Junior representative Denise Garcia said, "The dance is really a big part of homecoming. It's a time where everyone can be together and just create memories."

As another era is to the school history we will always remember homecoming '97.
