WORKING HARD Kristie Spencer puts the pages together on her wedding book. "It's surprising how much work and money is put into planning a wedding," Kristie said.

STEADY... Louis Follett puts the finishing touches on his egg crash vehicle. Louis remarked, "It took me forever to get the wheels just right."

SOMETHING OLD... Misty Henderson, Sue Harrel, and Eric Fabus look for pictures to use in their wedding books for the Personal Living class.

IT'S OFF! Malcolm Agee tests his vehicle as Tim Bates looks on. Students in Tech 8 constructed an egg crash vehicle that withstood a 5 m.p.h. crash.
