

work is fun

"I like band because it is really fun, but yet we have times when we just have to buckle down and get the job done," commented Chris Burgett.

For instance, at marching band festival the group really felt that they put their best into the show, but had fun doing it. "My favorite part was the big Phantom banner during the last few

measures of The Phantom of the Opera," commented color guard member Linda Gall.

Also, at the groundbreaking ceremony, the band performed for the entire school, school board, and many parents. "It was really a good performance; we sounded and looked great!" commented Mrs. Jean Murdock. "It was a fun year, and I look for-

ward to the future, it just keeps getting more fun every year," stated Serena Pletscher.
