

AD MEN... Jeremy Price, Derek Dawson, and David Saylor design a product for Consumer Economics. The class later had to present their products in an advertisement.

AM I HAVING FUN YET? Some days it's just hard to keep your eyes open and listen. John Whitford is keyed in, but Matt Crumbaugh had better borrow someone's notes if he expects to pass this class.

K. Mephan

I WANT *THAT*... It's okay to do a little dreaming, Kim Bush, Val Miller, and Jason McCrimmon decide as they browse through some magazines. They're making their wedding books for Family Living.
