BYE, BYE! Phyllis Shaw said, "The most memorable moment of all my years was the last day of school when they had the assembly for me!"

IN YOUR FACE! Ms. Michelle Moore hoops it up at the basketball tournament during Twirp Week. The staff defeated the seniors to become champions.

Phyllis Shaw worked as a secretary for 30 and one-half years, and retired in January of 1998. She saw generations pass before her eyes, and put up with everyone's problems, yet she could still say she's going to miss everyone.....so why did she leave?

"I had worked at the school for a long time. I just thought it was about time for me to retire and go on with my life," she said.

With all that free time on her hands, what is she going to do to keep busy?

"I really enjoy camping with my husband. We plan to take our fifth wheeler and go throughout Michi-

gan," she said excitedly! "I also like to work in my garden, because I like flowers, especially flowers."

Because the student body knew they'd miss Phyllis so much, they threw a going-away-assembly for her. Everyone wished her luck in life and said their good-byes with a sigh.

Mrs. Shaw set a very good example for the student body. Her job was demanding, so the stress level was always high.

"I'm going to miss seeing her smiling face even if she had a bad day," remembered senior Lynn Ringle.
