TAKE MY BREATH AWAY... Thomas Jungnitsch and Tara McGill take a moment to see just exactly who they came to prom with.

What makes prom so special?

"Being there with someone you care about."

-Christopher Burgett

"It's a chance for you to spend time with all of your friends before we leave school."

-Matthew Crumbaugh

"Going with the person you love."

-Dianne Surdock

"It's a chance to step into a role we don't normally play. We have the chance to get all dressed up and be part of a tradition that has been around for a long time."

-Mrs. Marcie Fabus
