"I think prom this year was the bomb", commented Denise Garcia. "The decorations were beautiful, the food was excellent, and the music was pumpin'!"

That statement pretty much sums up everyone's opinion about prom.

This year, unlike any other year, the dance floor seemed to be the hottest place to be if you were at prom.

Mrs. Suzanne Luneack

commented, "I believe that everything just went together perfectly; the night was a lot of fun!"

Prom fever seemed to hit everyone about the same. Whether it was the senior boys trying to impress the girls with their break-dancing moves or the girls trying to impress the guys with their polka skills, everyone, even the teachers, seemed to be enjoying themselves.

"I think everyone was bitten with the dance bug!", commented Kevin Fabus, "because I saw people dancing that I have never seen dance before. There were also people making up their own dance moves; it was a blast!"

All in all, I think this was the best prom that I have ever attended, and I think it is because everyone just let loose!" commented Senior Chris Burgett.
