What defines team and how does a team *do* that? Well, this year's varsity football squad went to great lengths to define what teamwork is.

There was no one individual who carried the show but an entire team that made it happen, through effort and determination. Coach Charlie Howes commented, "They were very hard-working and gave everything." Because of that, the Bears ended up 4 and 5 and fourth in the Mid-State Athletic Conference.

The determined attitudes of the Bears prevailed above all others. Whether winning or losing, the team

still remained upbeat. "Even though we lost to Mount Pleasant Sacred Heart, it was the best game because we were all pumped up!" exclaimed Doug Turner.

With only a handful of returning seasoned players, the Bears had a lot of hard work cut out for them. But, according to Coach Howes, a hard work ethic and resilience paid off. By the end of the season, the Bears had managed to truly define the word "team."

Kevin Fabus stated, "I don't think I'll ever be as proud of any other team I'll be a part of."
