CONTAIN!!! Brandon Beck gets ready to rock as the game progresses. "As the season went by we all learned about football, how hard it is to be successful, and that when you know you're doing good it's really fun," remarked Brandon.

"Determined," is the word Roy Burgett used to describe the JV football team. Determination and goals are what propelled the team to its wins.

"As a team, we let the boys set some goals for themselves on a game-to-game basis. They wanted to win every game they played," commented Coach Baker of the '97-'98 JV squad. The Bears posted a 3-2 record this season, which by far excelled what was anticipated from this team. "At the JV level we, as coaches, are not concerned with wins or losses, but what these young men accomplished on the

field this year was certainly beyond what we had expected from a win-loss stand point," stated Coach Craig Baker.

T. Turner

"We worked hard, played hard, and gosh darn it, people liked us," stated Jesse Diffin.

Although, the junior high Bears only put up a 1-3 record, it didn't reflect the heart of this young and determined team. "If you work and try really hard, you can win," said Chris Reynolds, a member of the team. "Being such a young team, we couldn't set too many goals," Coach Todd Starry said of his junior high hitters. Goals or not, both teams exemplified what it takes to play with the best.
