 scares you the
 most?

by Kristin Mephram

ATTACK OF THE CRAZY OLD NERDS... Erasmo Castillo looks in disgust at his freakish teachers, Karen Martinez and Suzanne Luneack. "Mrs. Luneack was like, 'Let's dance!'" exclaimed Erasmo.

K. Mephram

"Mr. Andersen because he always has a devil look."

-Erasmo Castillo

"Mr. Andersen. Every time I go to his class, I always get yelled at, then it scares me to think how long I'll be grounded."

-Justin Lindquist

"Miss Landis because she changes attitudes so fast, like she has a different person in her."

-Jeremy Whitaker

"Mrs. Fabus because when she's angry, she gets really quiet and then ends up yelling loud enough that the room shakes."

-Tiffany Oswald

"All of them because they all can get you in trouble and give you eighth hours."

-Kari Worden

"Mr. Andersen. When you get in trouble for talking, he stares at you until you shut up."

-Ashleigh Kaufmann
