Romance

For most of the people who go to prom the one thing that makes it the best night of the year is being there with their dates, spending time with friends, and making memories that will last forever.

Walking into the dance floor, balloons and streamers floating, was both romantic and exciting for prom-goers this year. Sue Harrell commented, "It was so beautiful seeing everybody dressed up and happy. We were all out on the dance floor. The one thing I enjoyed most, though, was being there with the one I love, Mark Davis."

There were many couples staring into each other's eyes and one of these couples was Tim Slaughter and Luann Cermak. "Being there with Luann was the most romantic thing

for me. 'I Swear' played and it was the first song we ever danced to, so it meant a lot to both of us. I couldn't get over how beautiful she looked," said Tim.

Although there was much romance there also were a lot of friendships bonding. "When 'This Is How We Do It' by Montel Jordan came on, all of us sophomore guys had a blast dancing, singing, and getting videotaped," exclaimed Tim Bates.

Juniors worked extremely hard making sure the seniors had the best prom around. "I had to wake up at 5:30 a.m. and be at the hall by 6 a.m. to put up decorations. But everything turned out to be great," stated junior Kristin Borne-man. Senior Matt Schueller agreed. "I was surprised to see how nice Prom looked and I had a really nice night. It was a little sad knowing that this would be my last Prom, but I was glad to see it turned out so well."

Although for some, this was the end of their Prom years, for many it was only the beginning. Freshman Jill Cermak commented, "This was a great Prom, and next year it will be hard to top this one. I had a lot of fun with the upper classmen and I can't wait to go again next year!"

Many good memories resulted from this year's Prom and it has proved to be an excellent memory for everyone to have.
