

**DIGGIN' THE LONG BALL** could best describe Pat Yelsik as the sophomore went yard four times last season.

**BRINGING IT IN** is sophomore Tim Bates. Tim anchored the short stop position for his team last year.

**BRINGIN' THE HEAT** Hurler Jesse Diffin follows through after his pitch. The sophomore pitcher helped

his team to seven wins last season. "With only two seniors on the team, I do not think we can measure our success on the

number of wins and losses we had but rather on the experience gained by the underclassmen for next year," stated Jesse.
