

CHRISTMAS IS FOR KIDS! Tearing open gifts is part of the fun and Mrs. Claus is only too happy to help out. "I was going to help him put it together, but there were too many pieces," reflected Mrs. Claus. (Miranda Coon).

HARD AT WORK There's a ton of gifts to be wrapped by **Lauren Miller, Kristin Borneman, Jesse Diffin, and Patrick Yelsik.** "It was fun helping the big kids," **Lauren** reflected.

GIVE IT TO ME Val Miller and **Kristin Borneman** horse around with a straw. Val giggled, "Kristin wanted a bit of my straw so we played tug-of-war with it; it was kind of cute."

LET ME HELP YOU WITH THAT Even Santa sometimes needs help, so Val Miller helps **Kevin Fabus** get dressed up so he can deliver gifts for the NHS family. Santa and his sleigh made it in time.

"Sponsoring a family for Christmas was great. It was fun seeing the little boy have a nice Christmas."
