"Kewl" is the word Mrs. Candy Burk used to describe her junior high seventh grade class.

"I am very proud of them. I think they are wonderful!" stated Burk. Homecoming week seemed to be pretty successful for the seventh grade class. "They took third place in the float competition and second in the lip sync, which is really good for a young class."

Having a seventh grade class actually place during Homecoming week is unusual.

Burk's prediction for this class in the future is, "They will do well and they will be good role models for the rest of the students in the school."

"Excited intelligence is the only thing that can describe this class."
