"Stubborn, but determined," was the verdict of the junior class advisor, **Ms. Dawn Landis**. "They stick to their guns. They are dependable and humorous, especially **Jesse Diffin** and **Aaron Grollimund**. If any one can make me laugh, they are the guys to do it," added Ms. Landis. "I think it was Aaron during a class meeting who dared to lift his shirt up and flash me his

nipples; it was absolutely a riot." During their freshman year Ms. Landis and **Mr. Steve Larsen** shared advisorship, then Ms. Landis took the helm alone. "They're awesome... I love them, I will always remember this bunch of students. They will be my first class to see through graduation."
