HANG TIME During Homecoming week Aaron Grollmund tapes fellow classmate Jessica Passmore to a wall in the big gym. This is one of the traditional relays the stu-

dent council plans every year. The juniors took first place in the overall competitions and won an all expense paid trip to the movies.

What do you love most about your junior class?

- ◆ **Kari Deming:** "We have a lot of creative fun people in our class. We've adopted our own saying '2001, the class of friends' and it usually fits. We're very competitive and we're always striving to get ahead."
- ◆ **James Polash:** "We are really a close class. I know us boys have all the same interest into having fun."
- ◆ **Jessica Passmore:** "We have a cute class. The boys are so hilarious how they always goof around. They keep this school and the teachers on their toes."
- ◆ **Amy Walter:** "I love the way that we are all so close, and how we all love to party together. We are not a very 'cliquey' class."
- ◆ **Jesse Diffin:** "The closeness, I'm not sure if we've ever had a fight amongst classmates and we know how to have a good time."
- ◆ **Patrick Yelsik:** "The best thing about us is our good times together outweighing our bad times. Though we do have an occasional spat amongst ourselves, we are always willing to forgive and forget. We are like a family."
- ◆ **Clayton Kaufmann:** "I like the fact that we are very competitive and don't give up and we are also very creative."
- ◆ **Matt Brzak:** "Because we are competitive."
- ◆ **Josh Mason:** "Our class is a bunch of partiers and love to be competitive. Everyone is friends with everyone."
