WORD FOR WORD

Two people come together. The music begins. It looks romantic, but what's the story?

This is more than a picture, it's a relationship. "**Vikki** has a lot of great personalities, like being goofy, serious, and sad, and that's why I like her," stated **James Brzak**. "I had so much fun at the dance I danced the whole night long, and James really looked good," said **Vikki Turner**. James added, "We've been together for four months. I think the best thing About our relationship is that I'm not lonely."

She also added, "The dance was a lot of fun, hanging out with my friends, but even though I had lots of fun the dance was still a little sad. I realized that this was the last Snowball Dance that I would get to hang with one of my best friends, **Amanda Pearson.**"
