LOOK INTO MY EYES Mike Milledge and Heather Jones take a break from their evening of dancing to share a breathtaking moment alone.

"Prom was very interesting; being with the same person for two years, I liked it a lot. The only bad thing was that the stuff that was on the floor kept sticking to my shoes," commented Mike. Heather added, "I enjoyed prom a lot this year. I am glad that Mike and I came together this year and I hope to be able to go with him again next year."

HOW ROMANTIC Jill Cermak and Aaron Grolimund are chosen as this year's Prom King and Queen. Jill stated, "The night seemed so perfect. I started out with Aaron and I going out to a romantic dinner with lots of laughs, then going to prom and getting crowned King and Queen, which topped the perfect night off."

"I liked prom because I went with my friends. I had a really cool tuxedo, my hair looked awesome, and I didn't get any injuries," said Aaron Schulz. No one knows how to have a good time any better than Aaron and Prom night was no exception. **Jeremy Polash and Denise Cermak** rode with **Katie Beck** and I to prom. We had pictures taken at my house and at prom. We ate at Bennigans and then had some fun with Jeremy's camcorder. We got kicked out of MC sporting goods for running a camcorder in there. After getting kicked out, we went to prom. After prom we went to a party to top the evening off," said Aaron
